This spacious house sits on a perfectly flat plot of over 1000 square meters, boasting 370 square meters of living space distributed as follows:

A main floor of 127 square meters houses the living area, featuring 3 double bedrooms, a full bathroom, and a large open-plan living/dining room with a kitchen. From here, you can access two large terraces of 60 and 12 square meters respectively, which serve as a prelude to the outdoor space.

From this ground floor, you can access the first floor and the parking area.

On the first floor, a fourth double bedroom, another full bathroom, and a solarium occupy the 39 square meters of this level.

Finally, we come to one of the most special and unusual features: a large, 129-square-meter parking space located in the basement, sure to delight everyone.

Nestled in a natural setting in the Anoia region, with large neighboring properties in one of the quietest areas of the Can Canals residential development in the municipality of Piera.
